

Art

Emmanuel College's Department of Art challenges students to see, speak and listen to others through art. Each program within the department strives to develop a student's potential to communicate, influence and interact creatively in society in an effective and responsible way. Emmanuel's location in Boston allows students access to a vast array of resources. Outstanding museums and galleries such as the Isabella Stewart Gardner Museum and the Museum of Fine Arts, Boston are only a short walk or subway ride away. Studying art at Emmanuel College is a rich experience – one that offers students a new, interpretive lens from which to see and evaluate the visual world around them.

Where Can Studying Art Get You?

Emmanuel College believes that the best preparation for success and meaningful careers is a strong liberal arts and sciences education. The art department at the College reflects that conviction. The program provides students with opportunities – through courses in specialized fields within the discipline, as well as through internships – to develop the skills and knowledge required to move into the world of work. Emmanuel art students may intern at the Isabella Stewart Gardner Museum, Arnold Worldwide Advertising and the Museum of Fine Arts, Boston. Graduates find careers in a variety of areas including fine and commercial art, education, public relations, media, entertainment, business and commerce.
