

A MESSAGE FROM THE PRESIDENT

EMMANUEL
COLLEGE

Dear Members of the Class of 2020,

Last week, the College took difficult yet necessary measures to protect the campus community and the wider public against the spread of the coronavirus. Even as we took these actions, we were well aware of the impact they would have on you, our seniors.

Normally, the spring of senior year is an unforgettable time, filled with academic achievements and joyful moments with friends. This year is different. At the very least, these culminating experiences will unfold in markedly different ways than ever could have been envisioned.

Class of 2020—the first class to graduate in Emmanuel’s second century—our hearts are with you! We are confident that you will rise to this challenge and thrive in the weeks ahead, drawing on your resilience and strong connections with your classmates and faculty mentors.

From now through graduation, we are here for you and ready to assist you each step of the way.

- Our faculty remain committed to your success—and to teaching, advising and collaborating with you in the same dynamic ways. If you are applying to graduate school or for a fellowship, you can of course count on their continued guidance and support.
- The Career Center is dedicated to supporting you as you prepare to launch your career. You can make an appointment to speak or video-chat with your Career Advisor weekdays between 8:30 a.m. and 4:30 p.m. More information is available in our [FAQs](#).
- Our Counseling Center stands ready to help you navigate these times effectively. To learn more about counseling services, including one-on-one appointments with a counselor, [click here](#).
- In the days ahead we will have more to say about our plans for Commencement. We look forward to celebrating all that you have achieved—and the gifts you will bring to so many areas of endeavor.

As you work to successfully complete your spring courses online, I encourage you to stay close to classmates, faculty and the College community via phone, e-mail, web and social media.

Blessings,

Sister Janet Eisner, SNDdeN
President
